To

Bhavatharani S
Dayananda Sagar Academy of Technology and Management.

Dear Bhavatharani,

We are pleased to offer you the position of **FullStack Intern** with **Indian Infra**. We were impressed by your qualifications and are confident that your skills and dedication will make a positive contribution to our team.

Position Details

- **Position**: FullStack Intern
- **Supervisor**: Naresh Kumar, Technical lead
- **Start Date**: 28/01/25
- **Work Schedule**: 20 hours per week

Key Responsibilities

As FullStackIntern, your responsibilities will include:

- **Front-End:** Develop responsive web interfaces using modern frameworks (React, Angular, Vue).
- **Back-End:** Build and maintain scalable APIs and databases (Node.js, Python, SQL/NoSQL).
- **Code Optimization:** Debug, refactor, and ensure clean, modular code.
- **Collaboration:** Work with designers and product teams in Agile workflows.
- **DevOps Support:** Assist in CI/CD pipelines and cloud deployments (AWS, Azure).
- **Security & QA:** Implement security measures and conduct testing for quality assurance.
- **Documentation:** Maintain technical documentation and stay updated on industry trends.

Benefits

As part of your internship at Indian Infra, you will have the opportunity to gain valuable industry experience, develop new skills, and work closely with industry professionals.

If you have any questions or require further information, feel free to contact us .

We look forward to welcoming you to our team and seeing the impact you will make at Indian Infrastructure.

Warm regards,
Naresh
Technical lead
Indian Infra
